

Health Resource Solutions, Inc.

Management. Expertise. Solutions.

Overview: Health Resource Solutions, Inc

Health Resource Solutions, Inc. (HRS) is a healthcare management consulting and public health staffing firm that assists healthcare policy makers and providers in closing the gap between what is known about public health problems and developing innovative solutions to solve them.

Our mission is to improve the quality of health service delivery in disenfranchised communities by creating effective institutional strategies that reduce the healthcare burden and improve the quality of life for members of those communities.

HRS is a results-oriented firm dedicated to helping clients achieve their organizational goals and improving the well-being of the communities they serve.
